SECTION SF 30 BLOCK 14 CONTINUATION PAGE

1. REVISED Contract Section B.5 CONTRACT ACCESS FEE in its entirety as follows:

B.5 CONTRACT ACCESS FEE

GSA's operating costs are reimbursed through a Contract Access Fee (CAF) charged on orders placed against the Master Contract. The CAF is paid by the ordering agency, but remitted to GSA by the Contractor. GSA maintains the unilateral right to establish and change the CAF rate. GSA will provide reasonable notice prior to the Effective Date of any change to the CAF payment process.

The CAF rate, which is .75% at time of Master Contract Award, is applied to the total amount paid on each invoice.

Based on the established CAF rate, the Contractor shall include the CAF in each proposal. Effective May 1, 2016 for all new Orders, the Contractor shall include the CAF as a separate cost element on all proposals to the government, regardless of contract type. The CAF shall never to be treated as a negotiable element between the contractor and the ordering agency.

If a customer organization has negotiated a CAF rate based on a special written agreement and/or Memorandum of Agreement by the GWAC Program that is other than the established CAF rate, GSA will provide advance notification.

The total CAF collected per Order may be capped at a set amount to be determined by the Alliant GWAC Program Office. For more information on this cap, please see the Alliant website (<http://www.gsa.gov/alliant>).

The Contractor remits the CAF to GSA in accordance with Section G.9.5.

G.9.5 Contract Access Fee (CAF) Remittance

The Contract Access Fee (CAF) reimburses GSA for the cost of operating the Alliant Program. The CAF percentage is set at the discretion of GSA and GSA maintains the unilateral right to change the percentage at any time, but not more than once per year. GSA will provide reasonable notice prior to the effective date of any change.

Contractors shall remit the CAF in U.S. dollars to GSA within the time specified in Section F.5 for all paid invoices during that calendar quarter. Where CAF for multiple invoice payments (on one or more Orders) is due, Contractors may consolidate the CAF owed into one payment, per GWAC Contract Family. CAF payments shall not be combined with another GWAC, Schedule, or any other GSA Contract.

The CAF method to remit payments is via Electronic Funds Transfer (EFT) or preferably via the CPRM system using pay.gov. Payments can be made directly from contractor's business bank account or by credit/debit card once the on-line pay.gov system enhancement for accepting credit/debit card has been deployed. If for some reason you are not able to access the CPRM to make the secure pay.gov payment, then you must notify the PCO that you will make a payment outside the CPRM system. If a payment is remitted outside the CPRM system, then you MUST include your Financial Contract Number (10 digit short Contract Number) on your payment.

GSA FAS reserves the right to unilaterally change such instructions as necessary, following notification to the Contractor.

Failure to remit the CAF in a timely manner will constitute a Basic Contract debt to the United States Government under the terms of FAR 32.6.
